Gold Medallion

When you buy or build specify a Gold Medallion Home, and step up to the joy of All-Electric living. The whole family will love it.

In a Gold Medallion Home clean, flameless electricity keeps you warm and cooks your meals, heats the water and gives you light for living. And it works in so many other ways to make housekeeping chores easier and living better.

P.S. CP&L's rate for all-electric homes has been reduced four times since 1960. Electric living is cheaper than ever.

CONGRATULATIONS

Your graduation completes a very important chapter of your life. As you depart, you leave behind memories of friendship and happiness, but take with you something far more valuable—an education. Expand your education, learn from your experience, and it will serve as a vehicle which will lead to a successful future.

ACKNOWLEDGEMENTS

Without the co-operation of many fine people our publication would not have been possible. In order to show our sincere thanks and deep appreciation, we, the staff of the 1967 MILLSTREAM, make the following acknowledgements:

To Mrs. Taylor we extend our greatest thanks for her constant surveillance and guidance in planning this edition. Her never tiring attitude and determination has inspired us to work with the diligence that she contributed to our work.

To Mr. Averette our many thanks for his help with the photography and his many suggestions. His humor and patience helped to make the long hours much more pleasant.

To Delmar Studio and to Wesley Morris Photography we express our appreciation for their fine photographic assistance.

To our grademothers, our most sincere thanks for all their work and support. Without them, our senior year would not have been complete.

Mrs. Tom Gaskins	Mrs. Alton Whitley
Mrs. D. M. Tyson	Mrs. Charlie Neal
Mrs. Winford Gaskins	Mrs. Julia Bryan
Mrs. Robert Foy	Mrs. James Lupton
Mrs. Joseph Nelson	Mrs. Bradley Forrest

To our mascots our thanks for their participation in our various senior activities. To their parents our appreciation for their co-operation.
